

The Polish Society of Human
Sciences and Evolution

UNIVERSITY OF SILESIA
IN KATOWICE

The 10th Conference of The Polish
Society for Human and Evolution Studies

CONFERENCE

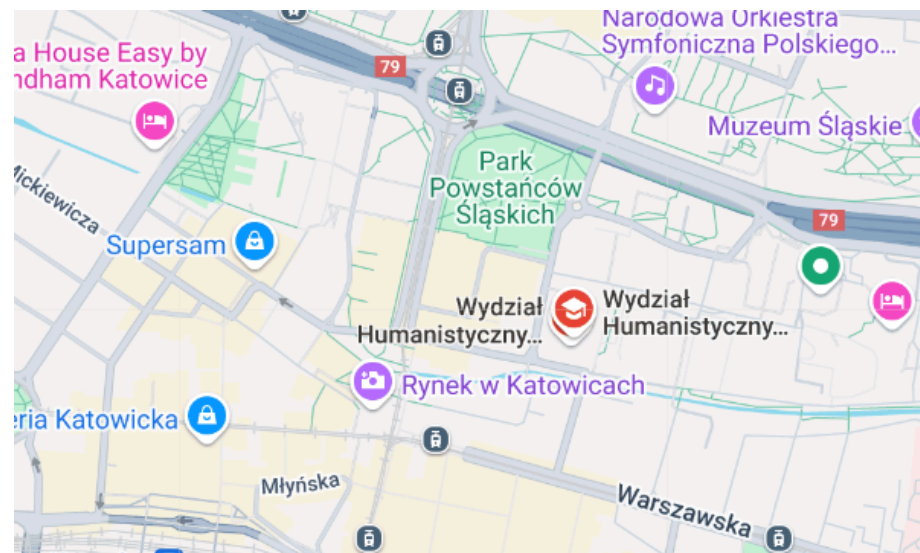

PROGRAM

17 – 20 SEPTEMBER 2024

CONFERENCE VENUE

UNIVERSITY OF SILESIA IN KATOWICE
BUILDING OF THE FACULTY OF HUMANITIES
(UNIWERSYTECKA STREET 4; GPS POSITION:
50.261035464616015, 19.026270825165277).

**European
City of Science
Katowice 2024**

**Województwo
Śląskie**

DAY 1 (17 SEPTEMBER 2024)

15:00 PTNCE's Board meeting (room B/1.28)

16:00 **OPENING CEREMONY (room B.039)**

16.10 – 16.20 Presidential address (PTNCE's President Bogusław Pawłowski)

16:20 – 17:20 **PLENARY LECTURE**

prof. Martin Virpi Lummaa (University of Turku, FI)

Kin networks and natural selection in changing societies

17.20 – 18.20 **SESSION 1 (Parenthood and biological age)**

Chair: Agnieszka Żelaźniewicz (University of Wrocław)

Urszula Marcinkowska (Jagiellonian University), Anna Ziomkiewicz (Jagiellonian University), Anna Apanasewicz (Ludwik Hirszfeld Institute of Immunology and Experimental Therapy, Polish Academy of Science), Aleksandra Ciochoń (Jagiellonian University Medical College), Magdalena Mijas (Jagiellonian University Medical College), Magdalena Klimek (Jagiellonian University Medical College), Dariusz P. Danel (Ludwik Hirszfeld Institute of Immunology and Experimental Therapy, Polish Academy of Science)

Maternal anxiety and prenatal support predict pregnancy outcomes during the pandemic - evolutionary perspective

Agnieszka Żelaźniewicz (University of Wrocław), Judyta Nowak-Kornicka (University of Wrocław), Bogusław Pawłowski (University of Wrocław)

Androgen receptor sensitivity and biological age markers in men

European
City of Science
Katowice 2024

Województwo
Śląskie

DAY 2 (18 SEPTEMBER 2024)

9:00 – 10:00 **PLENARY LECTURE**

prof. Martin Tovee (Northumbria University, UK)
Visual Cues to judgements of physical attractiveness

10:00 – 11:30 **SESSION 2 (Face perception)**

Chair: Juan Olvido Perea-García (Leiden University)

Benedict C Jones (University of Strathclyde), Junzhi Dong (University of Strathclyde), Kathlyne Leger (University of Strathclyde), Anthony J Lee (University of Stirling), Alex L Jones (Swansea University), Yasaman Rafiee (University of Strathclyde), Zuzana Elliott (University of Strathclyde), Lisa M DeBruine (University of Glasgow), and Victor Shiramizu (University of Strathclyde)

Consensus in social judgments of faces across world regions is driven by effects of distinctiveness on perceptions of prosociality, rather than effects of masculinity

Petr Tureček (Charles University), Viktor Černý (Charles University), Mame Yoro Dialo (Academy of Sciences of the Czech Republic; Charles University), Ngoné Cissé (Université Cheikh Anta Diop de Dakar), Šimon Pokorný (Charles University), and Karel Kleisner (Charles University)

Violence Triggers Preference for Masculine Faces: Evidence from Senegal

Juan Olvido Perea-García (Leiden University), Daisy Berris (Leiden University), Jingzhi Tan (Leiden University), Mariska E. Kret (Leiden University; Leiden Institute for Brain and Cognition)

Psychological effects of perceived pupil size and iris brightness cannot be assessed in isolation

Łukasz Piotr Pawelec (Wrocław University of Environmental and Life Sciences), Anna Lipowicz (Wrocław University of Environmental and Life Sciences)

Relationships between voice features and body build and composition in Polish men and women

11:30 – 12:00 COFFEE BREAK

European
City of Science
Katowice 2024

Województwo
Śląskie

DAY 2 (18 SEPTEMBER 2024)

12:00 – 13:30 **SESSION 3 (Disgust, threats, and danger)**
Chair: Aleksandra Szymków (SWPS University)

Aleksandra Szymków (SWPS University), Natalia Frankowska (SWPS University), Aleksandra Tołopito (SWPS University), Jakub Zgutka (SWPS University)

Perceived Similarity, Pathogen Threat, and Social Distance: The Influence of the Behavioral Immune System on Migration Attitudes

Karolina Kasza (University of Silesia), Łukasz Jach (University of Silesia), Mateusz Hohol (Jagiellonian University)

Dangerous means larger. People's responses about the size of animals depends on whether they are dangerous to humans

Michael Stirrat

Dark Triad, Gaslighting and Depression as an outcome

13:30 – 14:30 LUNCH

DAY 2 (18 SEPTEMBER 2024)

14:30 – 16:30 **SPEED TALKS SESSION 1 (Beauty, sexual strategies, and reproduction)**

Chair: Urszula Marcinkowska (Jagiellonian University)

Aleksandra Pytlińska

In the presence of an attractive audience, people report lower levels of sociosexual desire

Anna Chmielinska (Wrocław University), Bogusław Pawłowski (Wrocław University)

Perceived attractiveness in women with Hashimoto disease

Ksawery Łakomy (University of Wrocław), Ada Peryga (University of Wrocław), Marta Kowal (University of Wrocław), Jakub Jędrusik (University of Wrocław), Jakub Krasucki (University of Wrocław), Anna Kusztal (University of Wrocław), Maja Nowakowska (University of Wrocław), Julia Szaran (University of Wrocław), Magdalena Kurowska (University of Wrocław), Klaudia Fuławka (University of Wrocław), Aleksandra Nowacka (University of Wrocław), Julia Góreczna (University of Wrocław), Marta Tarasiewicz (University of Wrocław), Grzegorz Jankiewicz (University of Wrocław), Amelia Ciniawska (University of Wrocław), Piotr Jędrusik (University of Wrocław)

The beauty acitivisation's impact on one's behaviour - study relation

Justyna Kajstura (University of Wrocław), Bogusław Pawłowski (University of Wrocław)

New method to assess sexual strategy in humans

Šárka Kaňková (Charles University), Daniela Dlouhá (Charles University, Prague), Jana Ullmann (Charles University)

Disgust sensitivity before and after conception: longitudinal study

Katarzyna Galasinska (SWPS University), Aleksandra Szymków (SWPS University), Jachlewski (SWPS University), Aleksandra Tolopilo (SWPS University), Michał Olszanowski (SWPS University)

Creative thinking peaks during ovulation: A by-product of physiological arousal

Daniela Dlouhá (Charles University), Josef Včelák (Department of Molecular Endocrinology, Institute of Endocrinology), Šárka Kaňková (Charles University)

The association between disgust sensitivity and serum cytokine levels in women: Links to the behavioral immune system and psychological disorders

Paula Bartecka, Magdalena Klimek, Ilona Nenko, Andrzej Galbarczyk, Grazyna Jasienska (Jagiellonian University Medical College)

A good or a bad gene? Genetic polymorphism of apolipoprotein E and self-rated health in postmenopausal women

16:30 – 18:00 **POSTER SESSION 1 AND COFFEE BREAK**

European
City of Science
Katowice 2024

Województwo
Śląskie

DAY 2 (18 SEPTEMBER 2024)

POSTER SESSION 1

1. Łukasz Strzelczyk (SWPS University): **God is watching you. Exploring the impact of religiousness priming on prosocial behavior**
2. Dawid Mikulski (SWPS University), Wiktoria Majewska (SWPS University), Aleksandra Szymków (SWPS University): **Protecting Children: Is the Behavioral Immune System (BIS) Related to Overprotective Parenting?**
3. Liliána Janáková (Charles University), Sára Szekeresová (Charles University), Denisa Táborská (Charles University), Johana Vtípilová (Charles University), Zuzana Pajtošová (Charles University), Eliška Kabelíková (Charles University), L'uboslava Švajková (Charles University), Lucie Zedníková (Charles University), Zuzana Štěrbová (Charles University): **50 Shades of Red: The Intersection of Personality and Blushing Perception**
4. Paulina Cebulak (University of Wrocław), Agnieszka Żelaźniewicz (University of Wrocław), Judyta Nowak-Kornicka (University of Wrocław), and Bogusław Pawłowski (University of Wrocław): **Homocysteine and inflammatory markers levels and reaction time in middle-aged men**
5. Karolina Gruza (University of Wrocław), Wioleta Umławska (University of Wrocław), Katarzyna Pawłowska-Seredyńska (University of Wrocław), Irena Porębska (Lower Silesian Center of Oncology, Pulmonology and Hematology in Wrocław): **Assessment of nutritional status and face proportions in people diagnosed with sleep apnea syndrome and in those showing symptoms of this condition**
6. Aleksandra Tołopiło (SWPS University), Natalia Frankowska (SWPS University), Michał Olszanowski (SWPS University), Aleksandra Szymków (SWPS University): **In-group Similarity Preferences in Mate Selection: The Role of the Behavioral Immune System**
7. Anna Szala (Polish Academy of Sciences; Nicolaus Copernicus University), Juan Olvido Perea García (Nicolaus Copernicus University), Elif Duran (International School for Advanced Studies), Michelle Spierings (Leiden University), Theresa Matzinger (University of Vienna), and Sławomir Wacewicz (Nicolaus Copernicus University): **Eye contact with conspecifics with scleral depigmentation elicits reduced rate of contact calls in pygmy marmosets (*Cebuella pygmaea*)**
8. Sławomir Wacewicz (Nicolaus Copernicus University), Zdzisław Lewandowski (Wrocław University of Health and Sport Sciences), Dariusz Danel (Ludwik Hirszfeld Institute of Immunology and Experimental Therapy, Polish Academy of Sciences), Juan Olvido Perea Garcia (Nicolaus Copernicus University): **"Apemen Faces" - database of artificially generated faces of 'generalised hominins'**

DAY 2 (18 SEPTEMBER 2024)

POSTER SESSION 1

9. Baltazar Kaczmarzyk (University of Silesia), Wiktora Liszka (University of Silesia), Alicja Mazur (University of Silesia), Mateusz Mendrok (University of Silesia), Janusz Pach (University of Silesia), Emilia Rduch (University of Silesia), Ewa Rypel (University of Silesia), Emilia Warchałowska (University of Silesia), Klaudia Zasucha (University of Silesia), Łukasz Jach (University of Silesia): **"So scary, so true!". Relationships between opinions about horror movies, morbid curiosity, paranormal beliefs, and life history strategies**
10. Ksenia Krotofil (University of Silesia), Wiktor Łuniewski (University of Silesia), Alicja Mazur (University of Silesia), Emilia Rduch (University of Silesia), Łukasz Jach (University of Silesia): **"Disarming jokes". Relationships between humor, the Dark Triad traits, and styles of resolving couple conflicts**
11. Saeed RezvaniNejad (Charles University), Adel Bazram (Allameh Tabatabai University), Martin Hula (Charles University): **Beyond the Prospect: Examining the Factors That Influence Sleep Location Preferences**
12. Gabriela Chlebowska (University of Opole), Iga Waluszewska (University of Opole), Antoni Borowiec (University of Opole), Marta Sztuka (University of Opole), Agata Kawalec (University of Opole): **Sex differences in the anatomy learning methods - preliminary results of the anonymous study realized among medical students**
13. Mikołaj Kuczmarwski (SWPS University), Marta Kuczmarwska (SWPS University), Paulina Lenko (SWPS University), Katarzyna Sobek (SWPS University), Aleksandra Szymków (SWPS University): **What is the awe for? Awe as a social hierarchy reinforcement emotion**
14. Boruta-Żywiczyńska Monika (Nicolaus Copernicus University), Karkowska Klaudia (Nicolaus Copernicus University), Żywiczyński Przemysław (Nicolaus Copernicus University): **Gesture and stress regulation: self-touches as coping mechanisms. A theoretical review**
15. Jakub Fořt, Dominika Benešová, Petr Freudenfeld, Jaroslava V. Valentova, Jan Havlíček (Charles University): **Exploring the Interplay of Sexual Orientation, Gender Nonconformity, and Psychological Well-being and Self-Esteem**

DAY 2 (18 SEPTEMBER 2024)

POSTER SESSION 1

16. Vojtěch Fiala (Charles University, Prague; Nicolaus Copernicus University), Karel Kleisner (Charles University), Przemysław Żywicznyński (Nicolaus Copernicus University), Petr Tureček (Charles University; Czech Academy of Sciences), Sławomir Wacewicz (Nicolaus Copernicus University), Zuzana Štěrbová (Charles University), Theresa Matzinger (University of Vienna): **Different culture, similar view: Congruence in eye colour perception in WEIRD and non-WEIRD samples**

17. Benešová Jana (Charles University), Hill Martin (Institute of Endocrinology), Roberts Kateřina (Charles University), Velíková Marta (Institute of Endocrinology), Kaňková Šárka (Charles University): **Association of Endogenous Steroids with Nausea and Vomiting in Pregnancy: Insights from a Longitudinal Prospective Study**

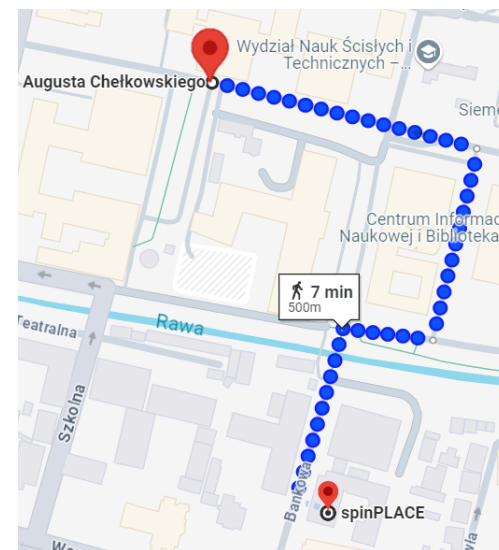

18. Jana Ullmann (Charles University), Šárka Kaňková (Charles University), Jaroslav Flegr (Charles University): **Effects of long-term infections with Toxoplasma gondii and Cytomegalovirus on changes in intelligence – a longitudinal study**

19. Natalia Frankowska (SWPS University), Aleksandra Szymkow (SWPS University), Andrzej Galbarczyk (Jagiellonian University Medical College): **Oral sex may serve as low mate value compensation among men: Evidence from a preregistered study**

20. Julia Zaborowska (Nicolaus Copernicus University), Mahzad Berenji (Nicolaus Copernicus University), and Antoni J. Żyndul (Nicolaus Copernicus University): **Emojis on, Gen Z! The Grammatical Roles and Placement Patterns of Emojis in Computer-Mediated Communication of Generation Z. Exploring the Interplay of Sexual Orientation, Gender Nonconformity, and Psychological Well-being and Self-Esteem**

DAY 2 (18 SEPTEMBER 2024)

18:30 – 20:00 Reception party (SpinPLACE; Bankowa 5, Katowice)

European
City of Science
Katowice 2024

Województwo
Śląskie

DAY 3 (19 SEPTEMBER 2024)

9:00 – 10:00 **PLENARY LECTURE**

prof. Jenny Tung (Max Planck Institute for Evolutionary Anthropology, DE)

A proper study for mankind: understanding the human condition through the lens of other primates

10:00 – 11:00 **SESSION 4 (Behavior, mobility, and cooperation)**

Chair: Martyna Molak

Thurston Cleveland Hicks

The first partial ethogram of the Eastern chimpanzees (*Pan troglodytes schweinfurthii*) of Chinko, southeastern CAR

Martyna Molak (University of Warsaw)

Should I stay or should I go now? Mobility of ancient humans goes personal

Theresa Matzinger (University of Vienna), Klaudia Karkowska (Nicolaus Copernicus University), Darya Namednikava (Nicolaus Copernicus University), Marek Placiński (Nicolaus Copernicus University), Michael Pleyer (Nicolaus Copernicus University)

The relationship between non-verbal alignment and cooperativeness in a game theory-based TV show

11:00 – 11:30 COFFEE BREAK

European
City of Science
Katowice 2024

Województwo
Śląskie

DAY 3 (19 SEPTEMBER 2024)

11:30 – 13:30 **SPEED TALKS SESSION 2 (Environmental contexts of evolutionary processes)**
Chair: Urszula Marcinkowska (Jagiellonian University)

Slavomíra Jusková (University of Presov), Grazyna Liczbinska (Adam Mickiewicz University), Martin Hromada (University of Presov), Lukasz Jankowiak (University of Szczecin), Anna Kubicka (Poznan University of Life Sciences), Piotr Tryjanowski (Poznan University of Life Sciences: Technical University of Munich), Peter Mikula (Czech University of Life Sciences, Prague; Technical University of Munich), Rajesh K Gautam (Dr. H.S. Gour University, Sagar)

The Impact of Climatic and Socioeconomic Factors on the Age of Menarche in Girls in India

Jan Toman (Charles University), Jaroslav Flegr (Charles University)

Sex-Specific Influence of Latent Toxoplasmosis on Reaction Times: A Case-Control Study

Michal M. Stefanczyk (University of Wroclaw)

Trypophobic reactions depend on a context the clusters of holes are presented in

Anna Mucha (University of Silesia), Anita Pollak (University of Silesia), Ewa Wojtyna (University of Silesia; University of Opole)

Evolutionary Concepts and the Healing Properties of Virtual Nature for Mental Well-being

Jan Havlíček (Charles University), Dagmar Schwambergová (Charles University), Marie Štěpánková (Charles University), Daniel Mazánek (Charles University), Kateřina Roberts (Charles University), Lenka Martinec Nováková (Charles University), Jitka Třebická Fialová (Charles University), Lucie Jelínková (Charles University), Šárka Kaňková (Charles University)

Possible sex differences in disgust in preschool children

Peter Kutsos (Charles University), Petr Tureček (Charles University)

Should researchers imitate each other more? An examination of the consistency of use of the terms “imitation” and “emulation” in the scientific literature

Laura Gillet (Eötvös Loránd University), Enikő Kubinyi (Eötvös Loránd University)

Caring for a dog like a child? Exploring the child-like role of dogs in a multinational sample

13:30 – 14:30 LUNCH

European
City of Science
Katowice 2024

Województwo
Śląskie

DAY 3 (19 SEPTEMBER 2024)

14:30 – 15:15 **The PTNCE AWARD WINNER'S LECTURE**

Marta Kowal (University of Wroclaw)

The pursuit of beauty: Understanding the who, why, and how intensely from a cross-cultural perspective

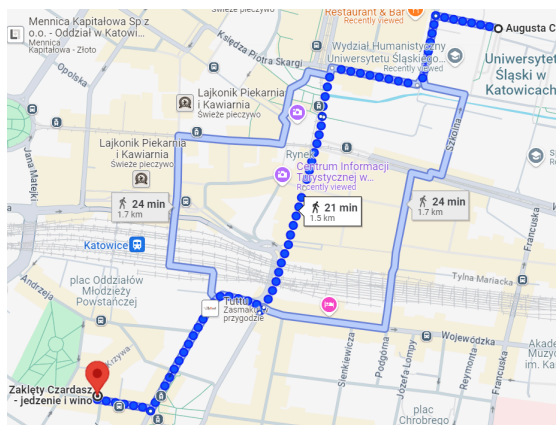

15:15 – 15:30 SPONSOR'S PRESENTATION – ARIADNA POLAND'S RESEARCH PANEL

15:30 – 15:45 **11th PTNCE CONFERENCE ANNOUNCEMENT**

15:45 – 17:15 POSTER SESSION 2 AND COFFEE BREAK

17:15 – 18:15 **PTNCE GENERAL ASSEMBLY**

20:00 – 22.00 GALA DINER (Zaklęty Czardasz Restaurant; Kopernika 9, Katowice)

DAY 3 (19 SEPTEMBER 2024)

POSTER SESSION 2

21. Vojtěch Fiala (Nicolaus Copernicus University), Petr Tureček (Charles University; Czech Academy of Sciences, Prague), Zuzana Štěrbová (Charles University), Sławomir Waciewicz (Nicolaus Copernicus University): **Facial characterisation is culture dependent, but social media use matters, too**
22. Zuzanna Schneider (University of Silesia), Marcin Moroń (University of Silesia): **Are you going to manipulate me? Facial makeup and attribution of manipulateness**
23. Jakub Krasucki (University of Wrocław): **“My sheep listen to my voice!”: How men’s storytelling and public speaking abilities relate to their charisma, leadership competence, and policy control – an evolutionary approach**
24. Ádám Putz (University of Pécs), Adrián Fehér (University of Pécs), Ferenc Kocsor (University of Pécs), Andrea Czibor (University of Pécs), Szabolcs Ajtony Bandi (University of Pécs), Dorian Vida (University of Pécs), Viktor Márton Kemény (University of Pécs), Gyöngyvér Csapó (University of Pécs), András Láng (University of Pécs): **The Impact of Mind Perception and Machiavellianism in an Inter-Group Social Dilemma Game**
25. Wiktoria Majewska (SWPS University), Dawid Mikulski (SWPS University), Julia Sachar (SWPS University), Magdalena Iwan (SWPS University), Justyna Zaucha (SWPS University): **Embracing well-being: Does the frequency of touch relate to our well-being?**
26. Jakub Zgutka (SWPS University), Joanna Sweklej (SWPS University): **Authoritarianism like any other: testing the authoritarianism symmetry hypothesis from the evolutionary perspective**
27. Lenka Martinec Nováková (National Institute of Mental Health), Dagmar Schwambergová (National Institute of Mental Health), Iveta Hocko Fajnerová (National Institute of Mental Health), Jan Havlíček (National Institute of Mental Health): **Are beliefs that one emits an unpleasant body odour associated with odour sensitivity and olfactory abilities?**
28. Wioletta Czernicka (University of Wrocław), Elżbieta Cieplak (University of Wrocław): **Assessment of attractiveness of same-sex individuals with different BMI and body parameters and self-esteem of the assessor**
29. Marek Jankowski (Nicolaus Copernicus University), Agnieszka Goroncy (Nicolaus Copernicus University): **Breast ptosis: investigation of age of onset and related quality of life**
30. Konrad Budzyński
Individual interests in pair of friends - diadic analysis

DAY 3 (19 SEPTEMBER 2024)

POSTER SESSION 2

31. Monika Kwiek (Jagiellonian University): **An Evolutionary Perspective on Collective Narcissism: Enhancing Reproductive Fitness through Creating an Image of Group Superiority**
32. Urszula Kurysz (University of Wrocław), Elżbieta Cieplak (University of Wrocław), Monika Krzyżanowska (University of Wrocław): **Which students do parents prefer – parental investments in adult offspring**
33. Maja Pietras (University of Wrocław), Łukasz Piotr Pawelec (Wrocław University of Environmental and Life Sciences), Monika Krzyżanowska (University of Wrocław), Anna Lipowicz (Wrocław University of Environmental and Life Sciences): **Discriminant analysis of postmenopausal women's voices in the context of the evolutionary significance of voice pitch as a signal of strong sexual dimorphism**
34. Michael Pleyer (Nicolaus Copernicus University), Svetlana Kuleshova (Nicolaus Copernicus University; Université Paris Nanterre): **Braided Streams and Weakly Structured Stems: What are the Implications of New Models of Human Evolution for the Emergence of Language?**
35. Adrián Fehér (University of Pécs), Ádám Putz (University of Pécs), Anita Deák (University of Pécs), Orsolya Inhóf (University of Pécs), Norbert Meskó (University of Pécs), András Norbert Zsidó (University of Pécs), Béla Birkás (University of Pécs), Botond László Kiss (University of Pécs), Cintia Bali (University of Pécs), Réka Rendes (University of Pécs), Julia Basler (University of Pécs), Tamás Bereczkei (University of Pécs): **Patterns of Cooperation: Behavioral Dynamics in an Inter-Group Social Dilemma**
36. Vojtěch Fiala (Charles University; Nicolaus Copernicus University), Petr Tureček (Charles University; Charles University and Czech Academy of Sciences), Sławomir Wacewicz (Nicolaus Copernicus University), Zuzana Štěrbová (Charles University), S. Adil Saribay (Kadir Has University), Juan David Leongómez (Universidad El Bosque), Ondřej Pavlovič (Charles University), Robert Mbe Akoko (University of Buea), and Karel Kleisner (Charles University): **Preferred human eye phenotype in different cultures**
37. Alicja Mejza (University of Wrocław), Agnieszka Żelaźniewicz (University of Wrocław), Judyta Nowak-Kornicka (University of Wrocław), Bogusław Pawłowski (University of Wrocław): **Androgen receptor sensitivity and body masculinization in men**

DAY 4 (20 SEPTEMBER 2024)

9:00 – 10:00 **PLENARY LECTURE**

prof. Greg Bryant (UCLA Department of Communication, USA)

The evolution of human laughter

10:00 – 11:00 **SESSION 5 (Non-verbal communication, vocalization, and language)**

Chair: Kasia Pisanski (University of Saint Étienne; University of Lyon; University of Wrocław)

Kasia Pisanski (University of Saint Étienne; University of Lyon; University of Wrocław), David Reby (University of Saint Étienne), Anna Oleszkiewicz (University of Wrocław; Technische Universität Dresden)

Do humans need to learn how to produce emotional vocalizations?

Marta Sibierska (Nicolaus Copernicus University), Przemysław Żywiczyński (Nicolaus Copernicus University), Marek Placiński (Nicolaus Copernicus University)

Linguistic Niche Hypothesis in Language Evolution: A Review

Kasia Skowrońska (University of Warsaw), Krzysiek Główka (University of Warsaw), Angelo Delliponti (Nicolaus Copernicus University), Ines Adornetti (Roma Tre University), Alessandra Chiera (Roma Tre University), Daniela Altavilla (Roma Tre University), Valentina Deriu (Roma Tre University), Serena Nicchiarelli (Roma Tre University), Sławomir Wacewicz (Nicolaus Copernicus University), Francesco Ferretti (Roma Tre University)

The role of gaze in the foundations of human pragmatics: two studies

11:00 – 11:30 COFFEE BREAK

European
City of Science
Katowice 2024

Województwo
Śląskie

DAY 4 (20 SEPTEMBER 2024)

11:30 – 12:30 **SESSION 6 (Evolutionary perspectives in various problems (music, cultural transmission, global comparisons))**

Chair: Lukáš Kratochvíl (Charles University)

Piotr Podlipniak (Adam Mickiewicz University)

The Baldwin effect and neural repurposing as driving forces in the evolution of conceptual primitives in music

Lukáš Kratochvíl (Charles University), Jan Havlíček (Charles University)

The fallacy of global comparisons based on per capita measures

Pavλίna Hillerová (Charles University), Matěj Jirout (Charles University), Petr Tureček (Charles University)

Cultural transmission shows signs of adaptive fine-tuning

12:30 – 13:00 **CLOSING CEREMONY**

European
City of Science
Katowice 2024

Województwo
Śląskie
