

ANNOUNCEMENT

of the Rector of the University of Silesia in Katowice of 29 November 2022 regarding student and employee participation in the Silesian Science Festival KATOWICE on 3-5 December 2022

Due to the organisation of the Silesian Science Festival KATOWICE taking place on 3-5 December 2022 at the International Congress Centre, please excuse the absence from classes of students and employees actively participating in the Festival. The basis for the excuse is going to be a certificate issued by the event organisers.

At the same time, I respectfully request the Deans to make it possible for students and employees to take part in the Silesian Science Festival KATOWICE and count their active participation in the Festival on 4-5 December as participation in the classes.

The Silesian Science Festival KATOWICE is one of the biggest science communication events and one of the most important events in the preparation of Katowice to be the European City of Science 2024.

It is our intention to involve the entire academic community, both employees and students of the University of Silesia in Katowice, in shows, experiments, presentations, lectures, interviews and discussions.

On behalf of the Rector of the University of Silesia

Vice-Rector for Education and Students
Katarzyna Trynda, PhD, Associate Professor

Please forward the announcement to students and academics
in a customary manner.
