Katowice

SOCIAL MEDIA ANALYSIS IN PSYCHOLOGICAL RESEARCH

Dear colleagues! Are you interested in communication and social media? You can learn about modern methods and tools for analyzing emotions and feelings in communication on social media platforms, such as Bing, AFINN and NRC.

Our guests:

- **Dr. Tănase Taseuțe:** Lecturer and ERASMUS coordinator at the Faculty of Law and Administrative Sciences.
- **Dr. Mihaela Luminița Sandu:** PhD at the Faculty of Psychology and Educational Sciences.
- **Prof. Mihaela Rus:** Vice-Dean at the Faculty of Law and Administrative Sciences. Promoter of doctorates in psychology at the Romanian Academy of Sciences.

Attend this lecture and expand your knowledge about social media analysis in psychology!
