

the timetable of the academic year 2024/2025, winter semester

2nd cycle studies, 1st year Biotechnology - Environmental and Plant Biotechnology

from - to	Monday	Tuesday	Wednesday	Thursday	Friday	from to		
8.00-9.30		MECHANISMS OF EVELUTION 214 from 5th November to 28th January		Microbial biotechnology Lab. A-118, C-154 07th November to 30th January	Bioinformatics Lab. B-207 from 22th November to 31st January	8.00-9.00		
						9.00-10.00		
9.45-11.15	BIOINFORMATICS Lecture B-01 from 18th November to 27th January		MICROBIAL BIOTECHNOLOGY Lecture B-204 6th November to 29th January				10.00-11.00	
							11.00-12.00	
11.30-13.00	PLANT BIOTECHNOLOGY Lecture B-01 4th November to 20th January	ENGLISH CLASSES from 05th November to 28th January					12.00-13.00	
13.00-13.45	consultations						13.00-14.00	
13.45-15.15	Specialization seminar I from 4th November to 27th January	Plant biotechnology Lab. A-213 5th November to 28th January						14.00-15.00
								15.00-16.00
15.30-17.00	Specialization laboratory I from 4th November to 27th January							16.00-17.00
17.15-18.45							18.00-19.00	
						19.00-20.00		
19.00-20.30
